

Design Simulator

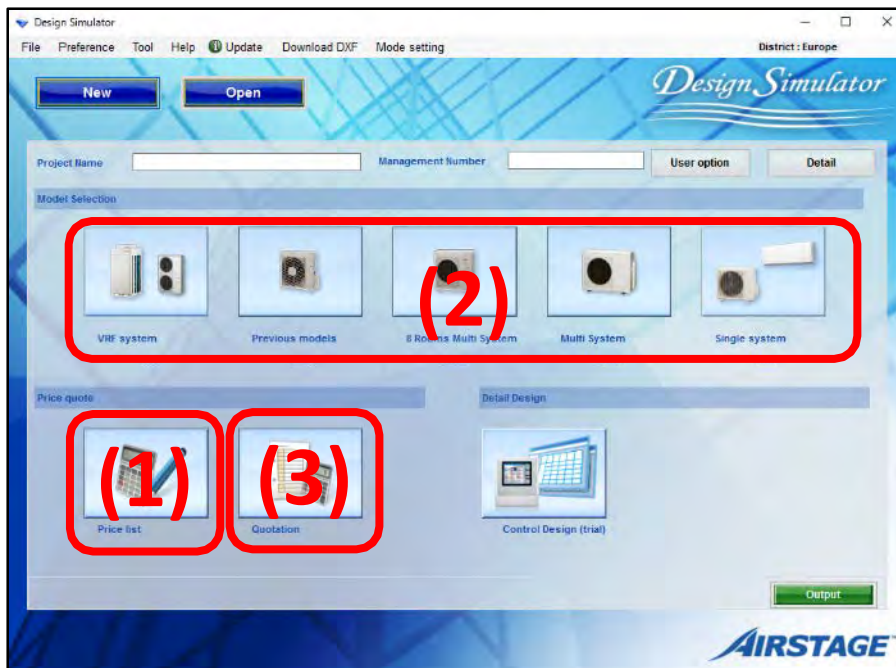

Price list
(Maintenance)

Overview

About the “Price list”

Below 2 functions are available.

- ✓ Estimate about selected product.
- ✓ Output of the estimate result.

Estimate flow

(1) Price list (input price, etc.)

(2) Product design

(3) Output the estimate

About “maintenance (input price, etc.)”

1. User type setting (Create master information)
2. Common setting
3. Data (price, etc.) inputs (make or import)

*Different by user type.

About “maintenance (input price, etc.)”

1. User type setting (Create master information)
2. Common setting
3. Data (price, etc.) inputs (make or import)

*Different by user type.

1. User type setting (Create master information)

User type:

- A. Can do estimate by using the data made yourself.
- B. Can make the price list for distribute*
*Can be added the password and make prohibit change of data
- C. Can do estimate by using the data distributed from (B).

The screenshot shows a dialog box titled "Number of create data". Inside the dialog, there is a section also titled "Number of create data" containing three radio button options:

- ☐ Personal data
- ☒ Personal data and distribution data (max.6)
- ☐ Just use the distribution data

Red arrows point from labels on the left to the radio buttons:

- Type A** points to the first option: "Personal data".
- Type B** points to the second option: "Personal data and distribution data (max.6)".
- Type C** points to the third option: "Just use the distribution data".

At the bottom of the dialog box are two buttons: "OK" and "Cancel".

Design Simulator

The screenshot shows the 'Unit price' application window. The 'File' menu is open, and 'Import equipment list' is highlighted. A yellow callout box points to this menu item with the text 'Select "Import equipment list"'. Below the menu, a file selection dialog is open, showing 'unit_price-A.zip' selected. A yellow callout box points to the dialog with the text 'Data import screen'. A blue arrow points from the 'Open' button in the dialog to a password input screen. The password screen has a yellow callout box with the text 'Input password' and a red box around the password input field with the text 'Please input password.'.
